

CROMLIX

LUXURIOUS, BY NATURE

WELCOME

Allow us to reshape your expectations of a country house hotel experience, and discover the charm, spontaneity and serendipity that can happen when elegance is undone.

Cromlix is owned by Kim and Andy Murray. Nestled in the scenic Scottish countryside just three miles from Dunblane, the hotel is located in 34 acres of secluded woodlands and landscaped garden grounds with its own chapel and loch. Cromlix currently offers 15 bedrooms plus a Gateside Lodge, The Glasshouse Restaurant, Bar and several beautiful private dining & meeting rooms.

Reimagine what a country house hotel can be, with our new interiors breathing life into this historic mansion with an exquisite, contemporary style and a refreshingly relaxed vibe.

The creative forces behind the hotel are Andy's wife Kim who takes an active role in shaping the Cromlix experience. Our interiors are alive with the vibrant colours of nature, verdant greenery and botanical flourishes and filled with contemporary art and imaginative moments. We've drawn our inspiration from the naturally peaceful setting and sprinkled over a little fun and added a generous helping of drama. From the upholstery to the fresh florals, from

the artwork to the lettering on the menu, each detail has been carefully, personally, curated – with a strong preference given to local Scottish artisans, suppliers, and designers.

Cromlix delivers a fresh, natural, effortless take on the quintessential country house experience, where guests can unwind, be themselves and enjoy a characteristically welcoming stay. Engaging but unobtrusive, we're always on the lookout for ways to craft special moments. We're in the business of effortless and fun.
